THRESHOLDS

Over the thresholds we will travel
Succeeding the trying days of future dreams,
Each day will be a new experience
And each mistake a lesson in life.

Over the thresholds we will travel
Striving to make the future worth living,
Meeting responsibility anxiously,
And fulfilling our own wants and needs.

As we cross the threshold
We will be headstrong, attempt, succeed, and fail.
We will keep our heads high when defeated
And give the world the best we have.

As we cross the threshold
We will look back on four years
Brushing away tears for the past
As we leave our stepping stones and leap to solid dreams.

DEDICATION

There is no one else quite like you,
And I've traveled far and wide;
It seems so many others
Their goodness try to hide.

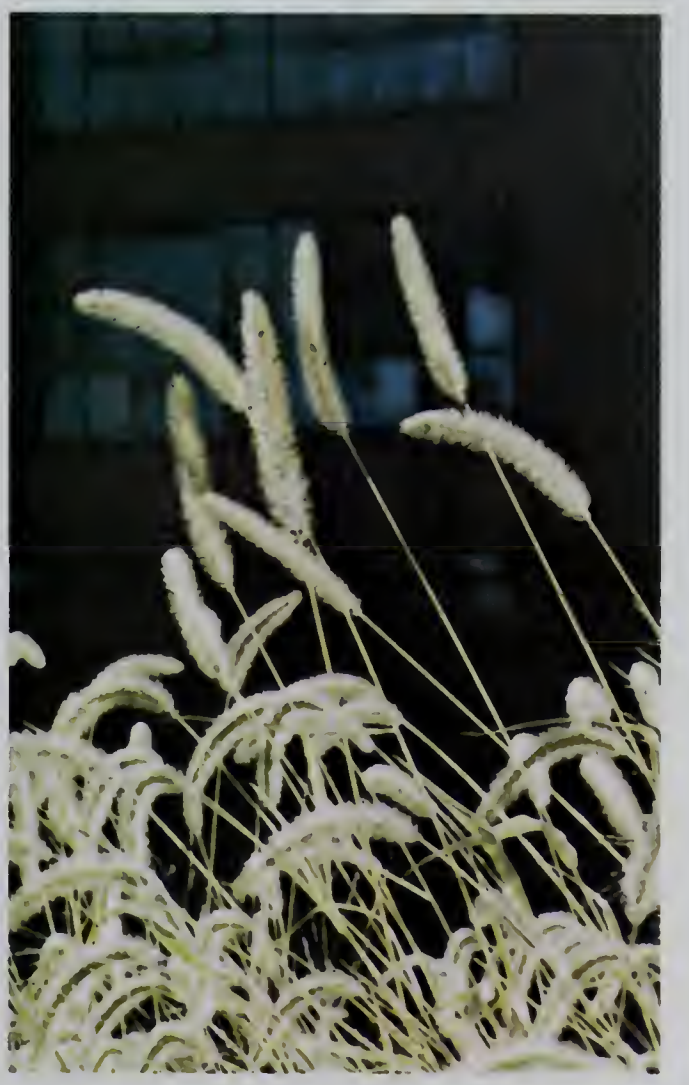
So in appreciation
I am saying this today . . .
May all of life's rich blessings
Be with you everyday.

V. Kimble

We, the class of 1980, dedicate this edition of Unitas to Mr. John Phaneuf. For the past four years Mr. Phaneuf's artistic ability, generosity, and warmth have been inspirational to us all. We would like to thank Mr. Phaneuf for all that he has done for our class.

The world is a looking glass,
And gives back to every man
The reflection of his own face.
Frown at it and it in turn
Will look sourly upon you,
Laugh at it and with it,
And it is a jolly, kind companion.

Yesterday's dreams have all passed away.
And now we must put our faith in today.
Tomorrow will dawn all shiny and new,
And maybe, just maybe, our dreams will
come true.

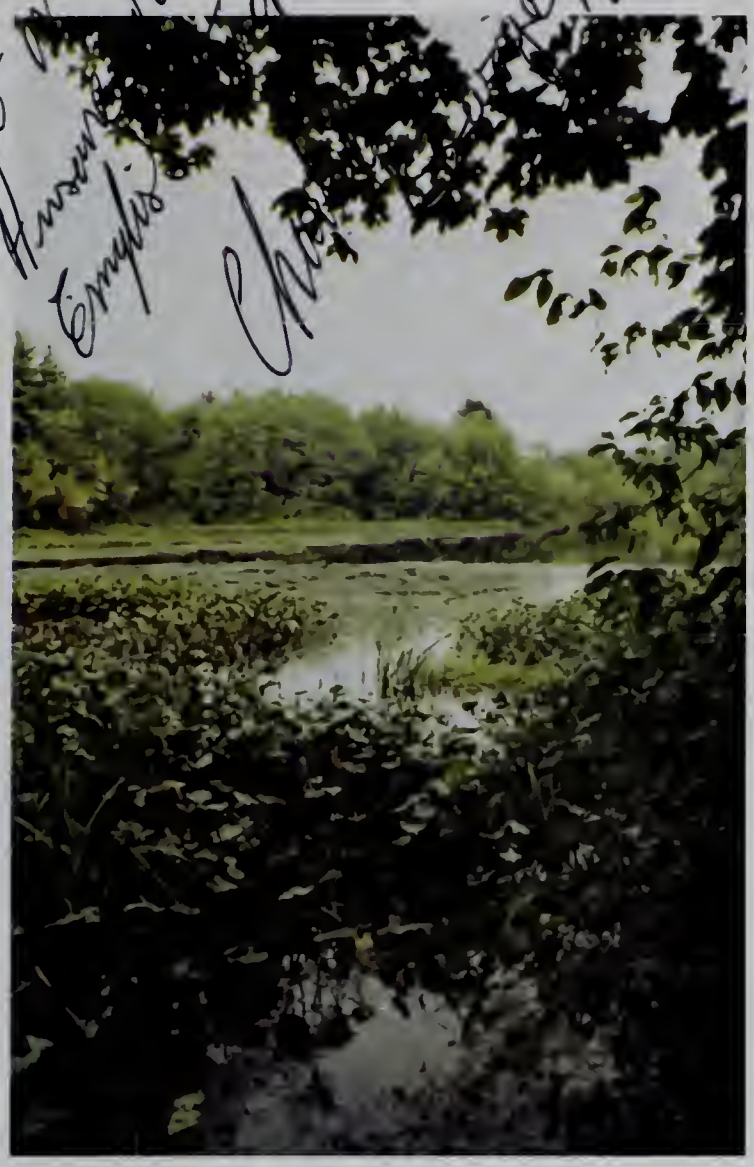


MODERN EARTH

I shall pass through this world but once
Any good therefore that I can do, let me
Do it now, for I shall not pass this way
Again.

We can never know about the days to come
But we can think of them anyway

Memory is the diary we all carry with us.



We're free to go where we wish and to be what we are.

Administration

Dear Graduates:

Congratulations to each of you! The members of the graduating class of 1980 have contributed to the tradition of quality that Bridgewater-Raynham represents. Many of you have distinguished yourselves artistically, academically, athletically and as persons of high principle and integrity. The high school diploma you have earned symbolizes those achievements.

May the lessons you have encountered at B-R be helpful and serve as a foundation to even better and greater learning experiences in the years ahead. Many of you by now have come to realize that what you take from your educational experience relates directly to what you personally have put into that same experience. We have appreciated your contributions to our school over the past four years and are encouraged because we are confident that you will continue to contribute your talents in improving our society in the future.

We welcome you now as alumni of the Bridgewater-Raynham Regional High School.

Good luck!

The World Affairs Club, under the guidance of advisor Mr. Gendreau, has been very active throughout the school year. In October the club went on the always popular mountain climbing trip to Mount Washington in New Hampshire. In the middle of November the club held a Model United Nations here at the school. Each member of the club represented a country presently in the United Nations. While acting as their country would in the United Nations, they discussed current world problems such as Human Rights, the world population problem, the Palestine Liberation Organization and the situation, as it stood in Iran. At all times the members tried to come up with solutions that would solve these situations. For four days in December, eight of the clubs members attended a M.U.N. held at Harvard University in Boston. In February, two members, Cheryl Oldfield and George Cradock attended the Presidential Classroom held in Washington D.C. Nine other members attended the Georgetown M.U.N. held also during February in Washington D.C. This year's winners of the Voice of Democracy Contest were: First Place — Jonathan Rubin, Second Place — Cheryl Oldfield, Third Place — Kathy Hay.

The F.T.A. under the advisorship of Mr. Capen held a number of important events this year. They provided guides for parents on Teacher Conference nights. They operated a booth at the winter Carnival and the money made went toward the F.T.A. Scholarship which is presented at graduation. In order to expose the students to areas they might encounter while teaching, they went on field trips to the School of the Blind and the School of the Deaf.

Trojans qualify for State Tournament, again . . .

The Trojan baseball team turned out a surprising season with a league record of 12 wins, 4 losses, and 1 tie and with an overall record of 16 wins, 5 losses, and 1 tie. The boys took 2nd place in the Old Colony League and qualified to enter the Eastern Massachusetts State Tournament. They were beaten in the finals by Somerset with a score of 1-0. With Captains Bob Fernandes, Mark Capozzi, and Dave Blakeley, and with returning seniors Mike Torres, John Wood, Lane Steek, Bob March, John Bent, Bob Colford, and Jim Waterman, the Trojans hope to make it to the state tournament for the 11th straight year.

Co-Captain Debbie Rebeiro and Patt Conn led the girls softball team to a 9-7 season. Five of the nine starters were chosen for the league's All-Star team. They were Jennifer Colford, Patt Conn, Jacqui Rigo, Chris Souza, and Lynne Thrasher. Although the team lost seven senior starters, Coach Farrington is looking forward to a fresh start with the help of some talented underclassmen.

Around mid-March they appeared on the tennis courts. There had been three or four earlier in the month but now everyone was there, all thirty plus who were to make up the 1979 boys tennis team. Boys go off track

The 1979 Boys' Track season was one of individual rather than team accomplishments. Seniors Dan Buron, John Murray and Pat Dowd placed especially high in their respective events. Although the team lacked the depth needed to put together an impressive record, several runners qualified for State Competition. One special occasion was hosting the All-League Team Meet. The boys are looking to new talent in the 1980 season.

Girls shine in State Meets . . .

The 1979 Girls Track Team under the supervision of Coach Luanne Gilbert and Assistant Philip Capen had several outstanding moments. From snowstorms to heat waves the girls survived the traumas of track. The newly established June Cult brought spirit to those dreaded 440's. Special notice was given to seniors Diana Gonsalves for breaking the hurdle record, Catherine Legan for breaking the 100-sprint record and Donna Kubiak for scoring the highest amount of points. Many of the girls also competed in State Meets at Falmouth, Norwell, and North Andover. The team is now looking forward to another challenging season and hoping for new talent.

THE NATIONAL HONOR SOCIETY

The National Honor Society, assisted by advisor, John Manning; President, Donna Kubiak; Vice-President, Dennis Hedvig; Treasurer, Barbara Laverty and Secretary, Diane Zion had a rather active year. The twenty-one members participated in both scholastic and extracurricular activities. Tutoring other B-R students had always been a main duty but, sponsoring a Pie-eating Contest during the Winter Carnival was an exciting diversion. The society also participated in the March induction followed by the traditional meal at Cristo's.

Second Place Finish

The 1979 Trojan football team had a very successful season with a final record of 7 wins, 2 losses, and 1 tie. Led by tri-captains Dan Buron, Mark Capozzi, Tom Levy, and the outstanding coaching of Paul Urban, the team turned out the 2nd best record in the league. The Trojans were surprisingly upset by Silver Lake and Marshfield. However, they did manage to beat Scituate, the league champions, by a score of 15-12. Seniors Dan Buron and Mark Capozzi were selected to the league All-Star team. Capozzi was one of the few backs in the state and in the history of B-R to rush over 1000 yards. Coach Urban will certainly miss the talent of all the seniors but he is looking forward to a victorious season next year, also.

Varsity girls cheer to victory

The 1979 girls varsity cheerleaders have done more than cheer. Last summer they went to the United States Cheerleading Association Camp in Silver Bay, New York. During their four day stay, the girls learned many new cheers and stunts. The girls received first place for their cheers. Their Saturday Night Live skit, which included "Two Wild and Crazy Guys" and "The Coneheads" also received first place. Susan Pruyn was awarded first place for Outstanding Individual Performance, while Elizabeth de Jesus was awarded the outstanding Talent Award. By the end of the third day, the squad had won first place in the overall competition. As a result of this, they were invited to compete at the National Championships in Michigan but unfortunately were unable to attend. Since then, the girls have cheered for the football and basketball teams, as well as having a fine performance at the Thanksgiving Rally.

Three of the Trojans were chosen for the League All-Star team. They were Tracey Bumpus, Karen Walsh and Liz May. Receiving honorable mention were Sally Dooley, Lisa Parris and Loraine Callaghan. Golfers lose their drive

In the fall of 1979, a group of enthusiastic golfers showed up for practice. The leading underclassmen of these candidates were as follows: freshmen — Steve Saccocia and Chris Flynn, sophomore — David Almeida, and juniors — Greg Sethares and David Witherell. They, along with Coach Swan, Capt. Randy Fruzzetti, Co-Capt. Peter Saccocia, Andrew Miller, Bob Mercadante, Bob Tubis, and Matt D'Andrea proceeded into an off season and came out with a record of four wins and twelve losses. However, the underclassmen have not yet lost their team spirit. They seem to agree that, although they fared poorly this year, next year they'll forge ahead and knock 'em dead without any ifs, ands, or putts.

Boys' Cross-Country takes to the streets.

This year's Cross-Country team under the leadership of first year coach Mr. Mark Lech had a very interesting season. Although they did not end the team's losing streak, individuals posted great improvements on their times, and sophomore Barry Wyman placed first in a number of races. The team ran from 5 to 8 miles a day. This was done in such varied weather conditions as 80° heat, 40 mph wind, rain and near hurricane conditions, and on the perfect fall day. The team will be losing seniors Jack Picciuto, Ralph Whitney, Gunther Hoffmann, Greg Michaud, Brian Denton, and Mike Deasy. Not graduating this year will be juniors Larry Reagan, and Scott Wirta and sophomores Barry Wyman and Peter Wyman. With these and other promising runners, next year's season looks very hopeful.

Besides returning varsity runners, other high scoring freshmen include Anne Sennott, Lynn Littlefield, Anne Mavor, and Alison Morwick. With these many newcomers to the team, Coach Tufts hopes to have a more successful season next year.

Ski Club Prays for Snow

The 1980 Ski Club headed by Mr. Swan had a schussbooming year on the slopes despite the limited snowfall and poor to granular skiing conditions. The club had a successful season and profits went toward new skis, boots, and reduced prices on ski trips. The club made weekend trips when weather permitted and spent a weekend in Canada in March. This year, the club was able to rent equipment to members. These profits were used towards gas money. The club had a good year and hopes that next season will bring the same enthusiasm and a little more snow.

Santa Visits B-R

On December 19, 1979, the Class of '80 held the traditional Senior Class Christmas Party. ''Clubfoot'' provided excellent music for this memorable occasion. Donna Kubiak received first prize for her costume as ''Mr. Winter''. Among the guests were numerous elves, reindeer and Iranians. Mr. Gebo and Mrs. Shepard deserve a special note of thanks for supplying the party with great refreshments. Many seniors will remember this merry occasion.

Winter Carnival

This year's Winter Carnival carried on well the tradition of mid-winter fun that was started four years ago. Our athletic teams were very successful with wins posted by the boys and girls basketball teams against Randolph, boys' and girls' gymnastic teams against Brookline High, and the boys' wrestling and hockey teams. Our school clubs provided game and food booths at the Carnival on Saturday. Mr. Phaneuf organized the ever-popular art show which took place in the cafeteria. Dinner was provided by the Athletic Advisory Board. The dance featured "Sound Machine". Hard work by the students and teachers made this year's Winter Carnival a successful and memorable event.

Looking back at our past four years, we will treasure the memories of B-R forever. We remember the strangers we met who became our friends. As we entered as Freshmen we set seemingly impossible goals for ourselves. Now as we complete our Senior year, many of the dreams have been met or are in sight. To the undergraduate we say, "PERSEVERE,"

The light from the morning sun
Cannot be seen from where you rest.
Nor can the fish be heard,
Splashing in the mountain streams.
But do not wonder my friend
Or worry that you will be remembered
For your achievements by the multitudes.
For you probably won't.
But some will remember you,
And those who do,
Will carry on the beauty that was contained in you.

How quickly pass the days and weeks.
Time soon will span four years.

Unceasingly the months roll by
Filled in with hopes and fears.

How happy he who may look back
With pleasure and content,

Upon school years forever gone,
And feel they were well spent;

And still remember present time
Will only shortly be,

As we will stand on thresholds of
The years we've yet to see.
